

We are located at Beixinqiao, just south of Dongzhimen Nei - about halfway between Sanlitun & Houhai. The easiest way to find us is to Take Taxi or Subway Line # 5 to:

Beixinqiao Subway Exit C (Beixinqiao Di Tie Chu Kou C) 北新桥地铁 出口 C

Exit C is on Shique hutong (石雀胡同), which is next to the post office and is on the southeast corner of the Beixinqiao intersection. When you walk out of exit C, make a left turn. Continue to walk down Shique hutong for until you reach the **2nd** hutong on your right, which is just past the Jiudaowan Community Center (九道湾居委会). It is a very small hutong, called Jiudaowanxixiang (九道

弯西巷). Follow the hutong, you will turn a quick left and right until you get to Jiudaowanbeixiang (九道弯北巷) where you turn left.

From here you should be able to look up and see our roof terrace with a bicycle hanging off the edge. However, you need to go around the corner into Jiudaowanzhongxiang (九道弯中巷) and enter the red double doors on your right, and pictured below.
